CW-Comments-2021 RFQ 3-S467 TD Radium 226.docx
4-15-21--Disposal-Bucket Log.xlsx

I changed a great deal in this because the information was inaccurate. We have Cesium 137 in addition to Radium 226. Please review the scope section carefully. Additionally, I have some contractor questions later in the document which are in the side comments. Please address these. Attached is the spreadsheet that should go out with the bid.

Leaving here in a few minutes
See you soon
